Ordinances:**A. Ordinance No. 1250 – Adopting Changes to Prineville Codes 72.41 (FIRST PRESENTATION) – Jered Reid / Officer James Young**

Jered Reid, City Attorney explained that these changes are for housekeeping purposes and that the copies inside the packet had a few words changed since distribution, however the version online reflect those word changes.

Mr. Reid continued to go through the changes that are being proposed. One is to remove the municipal court since we do not have one; and adding five business days to respond to a parking citation makes sense. The hearing section 72.44 is an addition for appealing a citation which offers a process to appeal, giving a person who receives a citation to have more rights.

Discussions continued regarding if five business is enough time to respond; and the role of the council in an appeal process.

Councilor Merritt made a motion to approve the first presentation of Ordinance No. 1250. Motion seconded. No discussion on motion. Motion carried.

**B. Ordinance No. 1251 – Amending Nuisance Codes (FIRST PRESENTATION) –
Jered Reid / Officer James Young**

Mr. Reid pointed out that two corrections needed to be made in Exhibit “A”. The first being in Section 93.56 Subsection A – the word “while” should be replaced with “wholly” and the second correction is in Section 93.73 Subsection E (5) – the word “in” should be inserted between the words “prescribed” and “this”.

Mr. Reid went through each of the proposed changes, as well as the added abatement procedure and remedies sections.

Officer Young provided background information to council regarding the activities they already do, such as the neighborhood cleanup and all the steps that they take before taking legal action.

Chief Cummins explained that just like the exclusion ordinance passed a couple years ago, this ordinance would be an additional tool to bring properties into compliance.

There were no further questions.

Councilor Rodriguez made a motion to make changes in Exhibit “A” in Section 93.56 Subsection A – the word “while” should be replaced with “wholly” and the second correction is in Section 93.73 Subsection E (5) – the word “in” should be inserted between the words “prescribed” and “this”.
