Date: March 13, 2018

To: Prineville City Council

From: Scott Smith - Street Superintendent

Request: **Intent to Award 2018 Crack Seal Project**

Overview:

City staff opened requests for quotes regarding the 2018 Crack Seal Project on February 27, 2018. There were 3 quotes received. All 3 contractors are located in Central Oregon. The project consists of the mobilization, traffic control, preparation and sealing of approximately 53 streets within the City. The start date for this project will be no sooner than March 20 with a completion date of no later than June 25, 2018. The determination of low quote is based upon the unit cost of "price per lineal foot" to seal the cracks. The Transportation Department budgeted \$80,000 for this project. Following are the 3 quotes:

Tri-County Paving	\$.42/ft	Total \$ 46,590.00
CR Contracting	\$.58/ft	Total \$ 67,635.00
7 Peaks Paving	\$.68/ft	Total \$ 98,360.00

Staff Recommendation:

Staff recommends Council approval for the intent to award the 2018 Crack Seal Project to Tri-County Paving of Redmond Oregon in the amount of \$ 46,590.00
