(Check one or more of the listed activities or describe other actions the jurisdiction will take.)

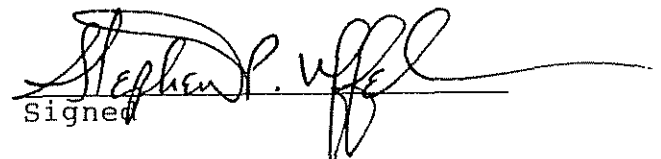

(NOTE: The following are examples of steps that might be taken as a part of a comprehensive displacement strategy. These lists are not all inclusive. You may add additional activities appropriate for your jurisdiction.)

- ___ 3. Provide lower-income housing in the neighborhood through HUD housing programs; purchase units as is; rehabilitate vacant units; or construct small multi-family buildings or row housing.
- ___ 4. Give priority in assisted housing units in the neighborhood to area residents facing displacement.
- ___ 5. Work with local public housing authority to target Section 8 existing program certificates to households being displaced, and recruit area landlords to participate in the program.
- ___ 6. Work with area landlords and real estate brokers to locate vacancies for households facing displacement.
- ___ 7. Take various actions to assist in the provision of assisted housing for lower income persons, such as land banking, properly acquisition, solicitation of developers, etc.
- ___ 8. Use of public funds, such OCDBG funds, to pay moving costs and provide relocation payments, or require private developers to provide compensation to persons displaced by development activities.
