

RESOLUTION NO. 682

A RESOLUTION UPGRADING EQUIPMENT RENTAL
FEES AND REPEALING RESOLUTION NO. 583.

WHEREAS, the City of Prineville owes a duty to its residents to maintain City streets and alleys in good repair at all times, and

WHEREAS, various utilities or other parties may rent equipment from the City, and

WHEREAS, various utilities operating in the City may from time to time require necessary excavations in City streets and alleys, and

WHEREAS, it is in the best interest of the City to insure that said excavations are promptly and properly repaired in accordance with City specifications;

NOW, THEREFORE, BE IT RESOLVED that the City of Prineville agrees to furnish all materials, equipment, labor and related services to repair excavations of City streets and alleys in accordance with City specifications at the costs as specified in Exhibit A.

The City specifically reserves the right to refuse this service at any time, and at all times said service shall be conditional upon the availability of equipment, capability of the City to undertake said project and the priority of the project as determined by the City.

Resolution No. 583 is hereby repealed.

Passed by the City Council this 9th day of May, 1989.

Approved by the Mayor this 9th day of May, 1989.
